CURRICULUM VITAE

Adam Stone, M.Cog.Sc., Ph.D
1380 Prince of Wales Dr. #1608, Ottawa, ON
Tel: 1 (613) 816 – 0124
E-mail: adam.stone@carleton.ca

Education

2020	PhD in Applied Linguistics and Discourse Studies – Carleton University Dissertation title: Expanding our understanding of language mapping
2020	Certificate in Teaching Assistant Skills – Educational Development Centre Article title: Addressing Traumatic Brain Injury (TBI) in the classroom
2015	M.Cog.Sc. in Cognitive Science – Carleton University Thesis Title: The production and perception of vowel height and duration
2013	B.A. (Hons) in Linguistics and Psychology – Carleton University Essay Title: The potential for self-efficacy to moderate math anxiety

Awards and Honours

2021	Carleton University Favourite Faculty Award
2019 – 2020	Ontario Graduate Scholarship (OGS) Valued at $15 000
2019	Outstanding Teaching Assistant Award School of Linguistics and Language Studies, Carleton University
2013 – 2015	Departmental Scholarship Institute of Cognitive Science, Carleton University
2014	Cognitive Science Graduate Scholarship Institute of Cognitive Science, Carleton University
2013	Essay poster presentation competition winner Psychology Undergraduate Research Event (PURE), Carleton University

Research Interests

- Geographic Information Systems (GIS), dialectology, cartography,
- Comprehension of speech sounds, phonetics, phonology, cochlear anatomy
- Language revitalization, Indigenous Language Education (ILE)
- Geography and geopolitics of the Middle East

Research and Professional Experience

2022 – Present   Postdoctoral Fellow, NEȽOLṈEW̱, University of Victoria
Responsibilities: Work with development teams to create online platform

2017 – Present   Researcher with the Atlas of Languages of Iran (ALI) Project
Supervisor: Dr. Erik Anonby
Responsibilities: Produce static maps of Iran, contribute to existing maps

2020 – 2022   Research Staff with the Geomatics and Cartographic Research Centre
Responsibilities: Foster data interoperability for Arctic research institutes

2017 – 2022   Research Associate with NEȽOLṈEW̱, University of Victoria
Responsibilities: Materials preparation, conducting surveys

2017 – 2019   Research Assistant with the Algonquian Linguistic Atlas
Supervisor: Dr. Marie-Odile Junker
Responsibilities: Conduct a user study, record and manipulate sound files

Teaching Experience

2021   Contract Instructor – Carleton University
Class: LING 1001 A – Introduction to Linguistics

2013 – 2020   Teaching Assistant – Carleton University
Classes: Professional Practices in Engineering, Spanish, Phonology

2018   Visiting GIS co-instructor, LING/FREN 4412 – Carleton University
Responsibilities: Lead GIS digital mapping workshops, assist students

2015 – 2016   Language and Cultural Assistant – I.E.S Cura Valera, Almería, Spain
Responsibilities: Teach English to secondary school students

Other Experience

2022 – Present   Research Associate, Geomatics and Cartographic Research Centre
Responsibilities: Coordinate with IranAtlas team on work packages

2013 – 2014   Cognitive Science Representative – Graduate Students' Association
Responsibilities: Represent the department and vote at monthly meetings

2013   Peer Mentor – Paul Menton Centre for Students with Disabilities
Responsibilities: Assist students with their transition to university

2011 – 2012   Project Manager – Carleton University Lunar Rover Project
Responsibilities: Oversee design and production of lunar rover; welder

Publications

Chapters in edited books

Stone, A., & Anonby, E. J. (2022). A typology for evaluating language maps. In Brunn, S. D. & Kehrein, R. (Eds.), *Handbook of the changing world language map* (pp. 1–30). Springer.

Stone, A., & Anonby, E. J. (2019). Cybercartography in Indigenous language education. In D. R. F. Taylor, E. Anonby, & K. Murasugi (Eds.), *Further developments in the theory and practice of cybercartography* (pp. 441–460). Elsevier.

Articles in refereed journals

Anonby, E., Taheri-Ardali, M., & Stone, A. (2022). Toward a picture of Chahar Mahal va Bakhtiari Province, Iran, as a linguistic area. *Journal of Linguistic Geography*, 1–36. doi:10.1017/jlg.2021.8

Stone, A. (2018). Mapping experience: Age and indigeneity as mediating factors in users' experiences with the Algonquian Linguistic Atlas. *Cartographica: The International Journal for Geographic Information and Geovisualization*, *53*(4), 229–240.

Taheri-Ardali, M., Anonby, E. J., Hayes, A., Stone, A., et al. (2021). The Online Atlas of the Languages of Iran: Design, Methodology and Initial Results. *Language Related Research*, *12*(2), 231–290.

Articles in refereed conference proceedings

Stone, A. (2018). A typology for understanding and evaluating maps of Indigenous languages. In S. Drude, N. Ostler & M. Moser (Eds.), *Endangered languages and the land: Mapping landscapes of multilingualism, Proceedings of FEL XXII/2018 (Reykjavík, Iceland)*, 19–25. FEL & EL Publishing.

Toivonen, I., Blumenfeld, L., Gormley, A., Hoiting, L., Logan, J., Ramlakhan, N., & Stone, A. (2014). Vowel height and duration. *Proceedings of the West Coast Conference on Formal Linguistics*, 32.

Maps

Stone, A, & Blumenfeld, L. (2021). Figure 1. Wave diagram [map]. In Blumenfeld, L. (forthcoming). Notes on the diachronic phonology of Nauruan. *Oceanic Linguistics.*

Stone, A., & Anonby, E. J. (2020). Figure 2. Research site selection for C&B [map]. In Anonby, E., Schreiber, L., & Taheri-Ardali, M. (2020). Balanced Bilingualism: Patterns of contact influence in L1 and L2 Turkic and Bakhtiari speech in Juneqan, Iran. *Iranian Studies*, *53*(3-4), 593.

Stone, A., & Anonby, E. J. (2020). Geographic overview of the Iranian language family [map]. In R. Larson, S. Moradi, & V. Samiian (Eds.). *Chapter 1: Introduction. Advances in Iranian Linguistics.* John Benjamins.

Stone, A. (2019). Kurdish variety groups [map]. In J. Sheyholislami & R. Surkhi. The Kurdish language: From linguicide to standardization. *Talk given at the 2019 OLBI Research Forum, University of Ottawa.*

Stone, A. & Anonby, E. J. (2019). Figure 14: Static polygon representation of language distribution in Chahar Mahal va Bakhtiari Province [map]. In E. Anonby, M. Taheri-Ardali, & A. Hayes. The Atlas of the Languages of Iran (ALI): A Research Overview. *Iranian Studies*.

Stone, A. & Anonby, E. J. (2017). Phonological variation in C&B province: Front rounded vowels [map]. Scale not given. In E. Anonby & M. Taheri-Ardali. *The Atlas of the Languages of Iran (ALI).*

Other publications

Stone, A. (2020). *Expanding the understanding of language mapping* (Doctoral Dissertation, Carleton University).

Stone, A. (2015). *The production and perception of vowel height and duration* (Master's Thesis, Carleton University).

Research presented

To learned societies

McIvor, O., Brinklow, N., Hill, C., Stone, A., Wolvengrey, A., & Ball., J. (2019, March). Engaging, connecting, and mobilizing indigenous language learning leaders, supporters, and researchers through an online sharing space. *Research talk at the International Conference on Language Documentation and Conservation (ICLDC) XI 2019*, University of Hawai'i at Manoa.

Stone, A. (2018, September). A typology for understanding and evaluating maps of Indigenous languages. *Research talk at the Foundation for Endangered Languages (FEL) XXII Conference 2018*, University of Iceland.

Jules, T., Carreau, K., Dane, M., Katagiri, R., Klassen, K., Mitchell, J., Owen, C., Potter, R., Stone, A., & Cox, C. (2018, April). Integrating collaboration into the classroom: Connecting community service learning to language documentation training. *Research talk at the 2018 Symposium for American Indian Languages (SAIL)*, University of Ottawa.

Stone, A. (2015, March). Vowel height and duration in Chilean Spanish. *Research talk at the Montréal-Ottawa-Laval-Toronto Workshop in Phonology (MOLT)*, University of Toronto.

Other talks

Stone, A. (2019, April). Methods and applications of GIS in mapping linguistic data. *Research talk at the Symbiotic Relationship between Language and Nature in Southern and Eastern Arabia workshop*, University of Leeds, England.

Stone, A. (2018, February). Saving language with space: Cybercartography and its potential in Indigenous language revitalization (ILR). *Research talk at Linguistics Beyond Horizons*, University of Florida, Gainesville, United States.

Stone, A. (2015, April). The perception of vowel height and duration. *Research talk at the Annual Cognitive Science Spring Conference, Institute of Cognitive Science (ICS)*, Carleton University, Canada.

Stone, A. (2014, April). Vowel height and duration. *Research talk at the Annual Cognitive Science Spring Conference, Institute of Cognitive Science (ICS)*, Carleton University, Canada.

Toivonen, I. Blumenfeld, L, Gormley, A., Hoiting, H., Ramlakhan, N., & Stone, A. (2014, January). Duration effects within and between categories. *Research talk at the CUNY Conference on Weight in Phonetics and Phonology*, CUNY Graduate Center, New York, United States.

Poster sessions

Stone, A. (2018, March). Mapping maps: The Evaluative Map Typology. *Poster session presented at the 13th Annual Graduate Student Symposium*, School of Linguistics and Language Studies, Carleton University.

Stone, A. (2014, November). Vowel height and length in Chilean Spanish. *Poster session presented at the 10th Annual Graduate Student Symposium*, School of Linguistics and Language Studies, Carleton University.

Stone, A. (2014, March). Vowel height and duration. *Poster session presented at the 32nd West Coast Conference on Formal Linguistics (WCCFL)*, Department of Linguistics, University of Southern California, Los Angeles.

Stone, A. (2013, April). The potential for self-efficacy to moderate math anxiety. *Poster session presented at the Psychology Undergraduate Research Event*, Carleton University.

Works edited

Sheyholislami, J. & Surhki, R. (2022). Lexical variation and semantic change across Kurdish. In Y. Matras & A. Koontz-Garboden (Eds.), *Structural and Typological Variation in the Dialects of Kurdish.* Palgrave Macmillan.

Rahmani, F. (2020). *Rooftop societies: The Middle East paradox*. De Sitter Publications.

Wei, H. C. D. (2017). *Distance estimation for 3D freehand ultrasound-scans with visualization system* (Master's Thesis, Carleton University).

Services to the profession

2020 – Present	Contributing member to NunaLang – Nunaliit Language Mappers
2019 – Present	Contributing member to ELK-Tech
2018 – Present	Contributing member to the Foundation for Endangered Languages
2015 – 2018	Executive Director, Web Developer Foundation for Endangered Languages of Canada
2013	Volunteer, the XVII Foundation for Endangered Languages Conference October 1–4, 2013, Carleton University
